# Instructions to Bidders

---

**1. AUCTION START DATE.** The online auction starts: September 28, 2009.

**2. TYPE OF SALE.** This sale will be an online auction conducted via the Internet and by submission of written or faxed bids. The auction will be conducted over a period of several weeks or until the property is sold. The date for receipt of final bids will be announced on the Internet with at least forty-eight (48) hours notice (see Paragraph 13, Call for Final Bids). The auction may continue beyond that date as long as bidders are willing to submit higher bids. Thus, the bidders determine when the sale closes by their bidding activity.

**3. BIDS AND TERMS OF SALE.** Bids to purchase must be on an ALL CASH basis only. Buyers are expected to arrange their own financing and to pay the balance in full by the closing date. No government credit terms are available. The U.S. General Services Administration has no information on the availability of private financing or on the suitability of this property for financing.

**4. MINIMUM BID.** The minimum bid is Ten Thousand Dollars (\$10,000.00). The minimum opening bid amount does not represent the value of the property but rather provides a reasonable starting point for the online auction. The Government seeks to obtain market value for the property and reserves the right to reject any and all bids.

**5. BIDDER REGISTRATION AND DEPOSIT.**

a. Bidder registration is a three-step process:

1. Complete Online Registration: Bidders should register online at [www.auctionrp.com](http://www.auctionrp.com). Click on "Create a new account," provide the requested account information and establish a User Identification ("ID") and Password.

A User ID and Password are used to register online and to place bids. When you register online, you will be required to assign your own User ID (limited to eight (8) characters). The required password must be at least eight (8) characters and must include: (a) one letter, (b) one number, and (c) one special character such as: ! @ # \$ % ^ & \* ( ). Since the User ID is used to publicly identify bids at [www.auctionrp.com](http://www.auctionrp.com), and for your privacy, we strongly encourage you to create your User ID in a manner that protects you or your company's identity. In the event you forget your User ID and/or password or are locked out from the system, it is your responsibility to contact the U.S. General Services Administration, during normal business hours, to obtain assistance.

2. Complete Registration Form: Bidders must complete and submit the official Bid Form titled "Bidder Registration and Bid Form for Purchase of Government Property" accompanying this Invitation for Bids. All information and certification requested thereon must be provided. Bidder registration and bids submitted which fail to furnish all information or certifications required may be summarily rejected. The Bid Form should be filled out legibly with all erasures, strikeouts and corrections initialed by the person signing the bid. The Bid Form must be signed and dated. Additional bid forms are available upon request or you may photocopy the form in this Invitation for Bids.

3. Provide Registration Deposit: A Registration Deposit in the amount of \$10,000.00 must accompany your Bidder Registration and Bid Form. Registration Deposits must be provided by a cashier's check, certified check or credit card (Visa or

MasterCard). Personal or company checks are NOT acceptable and will be returned to the sender. Checks must be made payable to: "U.S. General Services Administration."

For deposits by credit card, bidders must also complete, sign and submit the enclosed Registration Deposit by Credit Card form along with the Bidder Registration and Bid Form to be authorized to bid.

For deposits by a cashier's check or certified check, bidders must also complete, sign and submit the enclosed Registration Deposit by Check form along with the Bidder Registration and Bid Form to be authorized to bid.

Only upon verification of your Registration Deposit, will you be allowed to bid. All Registration Deposits received will be deposited with the U.S. Treasury, in a non-interest bearing account, immediately upon receipt.

b. To complete the bidder registration process, and if you are prepared to make an initial written bid, please submit the completed Bidder Registration and Bid Form for Purchase of Government Property, along with the required Registration Deposit, to:

U.S. General Services Administration  
Real Property Utilization and Disposal Division  
10 Causeway Street, Room 925  
Boston, Massachusetts 02222  
Attn: Lawanda Maryland  
(Telephone: (617) 565-5700)

Completed Bidder Registration and Bid Form for Purchase of Government Property may also be faxed to (617) 565-5720.

Your initial written bid is a binding offer.

c. It is the responsibility of the bidder to ensure that adequate time is available to complete the registration process as described above. The

Government makes no representation or guarantee that any additional assistance or time will be provided to complete the registration process. No bidder will be allowed to participate in the sale until the entire registration process is complete.

d. Registration may occur anytime prior to the conclusion of the auction. However, the Government makes no representation or guarantee that your registration will be completed prior to the announced date and time for the receipt of final bids. Therefore, bidders are encouraged to register as soon as the auction opens. A bid made online will supersede a written bid of an equal or lesser amount.

## **6. TEN PERCENT BID DEPOSIT AND TRANSACTION CLOSING.**

Within forty-eight (48) hours of acceptance of a bid by the Government, the Purchaser agrees to deposit an additional amount in the form of a certified check or cashier's check, if any, which when added to the Registration Deposit, will equal at least ten percent (10%) of the amount bid. Failure to provide such bid deposit shall require rejection of the bid and forfeiture of the Registration Deposit.

Upon acceptance of a bid, the bid deposit shall be applied towards payment of the Purchaser's obligation to the Government. The full balance of the purchase price in the form of a certified check, cashier's check or electronic wire transfer is payable within sixty (60) calendar days after acceptance of the bid. At the time of closing, all cash money paid by the Purchaser will be credited, without interest, toward the total purchase price.

## **7. REFUND OF REGISTRATION DEPOSITS.**

Registration Deposits accompanying bids that are rejected will be refunded to bidders without interest. Bidders may elect to receive the refund by U.S. Treasury check or by an electronic transfer of funds. Bidders will be required to provide the U.S. General Services Administration with a Taxpayer Identification Number (TIN) to ensure the proper

refund of the Registration Deposit by the U.S. Treasury. The TIN must be either a Social Security Number (SSN) or an Employer Identification Number (EIN). The use of an individual's SSN will be collected only for the proper refund of the Registration Deposit.

Registration Deposits received from the two highest bidders will be held as stipulated in Paragraph 16, Back-up Bidder. All other Registration Deposits will be processed for refunds after the last day of the auction or upon written request to withdraw from the auction unless the bidder is the first or second highest bidder. Refunds will be processed timely but may require several weeks to complete.

## **8. BIDDING IN GENERAL.**

a. Bids may be delivered to our office either in person, by fax, by U.S. Mail, by private delivery services, or via the Internet at:  
[www.auctionrp.com](http://www.auctionrp.com).

b. Bidders who registered online may increase their bids by following the instructions at [www.auctionrp.com](http://www.auctionrp.com). They may also submit increased bids in person, by fax, by U.S. Mail, or private delivery services. By submitting your bid through [www.auctionrp.com](http://www.auctionrp.com), you agree that your Internet bid is a binding offer. You will be legally obligated for any and all bids submitted using your ID number and password on the Internet.

c. Bids must be submitted without contingencies.

d. Bids that are not submitted on the U.S. General Services Administration forms will be rejected.

## **9. FAXING YOUR BID.**

a. Bids by fax may be made with a credit card (Visa or MasterCard only) by using the deposit form in the bid package. By faxing your bid, you are agreeing that your faxed bid is a binding offer. Faxed bids must be completely filled out

and signed. The fax number for increased bids or initial bids is **(617) 565-5720**.

b. A bid submitted by fax must arrive at the place and by the date and time that the Government has specified as the deadline for receipt of bids. If a bidder chooses to transmit a bid by fax, the Government will not be responsible for any failure attributable to the transmission or receipt of the faxed bid, including, but not limited to, the following: (1) Receipt of a garbled or incomplete bid; (2) Availability or condition of the receiving facsimile equipment; (3) Incompatibility between the sending and receiving equipment; (4) Delay in transmission or receipt of bid; (5) Failure of the bidder to properly identify the bid; (6) Illegibility of bid; and (7) Security of bid.

c. If your faxed bid is not reflected on the Government's auction web page at [www.auctionrp.com](http://www.auctionrp.com), and your bid is higher than the announced bid, call **Lawanda Maryland at (617) 565-5700** for verification that your bid was received.

**10. DAILY BIDDING RESULTS.** Bidders may visit the U.S. General Services Administration's Internet Home Page at: [www.propertydisposal.gsa.gov](http://www.propertydisposal.gsa.gov) or its online auction web page at: [www.auctionrp.com](http://www.auctionrp.com) to obtain current bidding information. Bidders will be notified via the web page when bidding will be closed. If your bid is not accurately shown on the web page, then you should call the U.S. General Services Administration at (617) 565-5700. Bidders are urged to pay close attention to the web page, which will contain new, revised and useful information regarding the high bid, modification to bid increment, and the closing date of the auction.

**11. INCREASING YOUR BID.** If you learn from the web page that your bid was not the high bid, you may increase the high bid until such time as bidding is closed. Increases in previously submitted bids are welcome and the bid deposit from your first bid will apply to subsequent increased bids. Increased bids must be submitted on the official U.S. General

Services Administration bid forms unless you are bidding online. Official bid forms may be photocopied. Increased bids must be at least Five Thousand Dollars (\$5,000.00) more than the previous high bid in order to be considered. **The Government reserves the right to modify the minimum bid increment at any time prior to the close of the sale.** To increase a previously submitted bid, bidders may use one of the following methods: in person, by fax, U.S. Mail, private delivery services, or online at [www.auctionrp.com](http://www.auctionrp.com). In the event that two bids of equal value are received via U.S. Mail, fax, online, etc., the first bid received will be recognized.

**12. AUCTION SUSPENSION OR CANCELLATION.** The Government reserves the right to temporarily suspend or stop the auction for any reason without award and resume the auction or start a new auction at any time. In the event of a temporary suspension due to technical problems or other bidding issues, the Government will determine the high bidder and the high bid amount, re-open bidding and allow the auction to proceed according to the bidding terms described herein. The Government reserves the right to cancel the sale at any time and registration deposits will be returned to bidders without interest or further obligation by the Government.

**13. CALL FOR FINAL BIDS.** Once bidding slows down, a date will be set for the receipt of final bids. That date, referred to as the “soft close date,” will be announced on the Government’s auction web page. On that date, commencing at 9:00 a.m., Eastern Time, if no increased bid is received by 3:00 p.m., Eastern Time, then bidding will close at 3:00 p.m., Eastern Time, and consideration will be given to selling the property to the high bidder. If an increased bid is received on a timely basis, then bidding will be continued over until the next business day on the same terms. Eventually, no one will outbid the high bidder and bidding will close at 3:00 p.m., Eastern Time, on that day. There is no advantage to waiting until the last minute to bid.

#### **14. BID EXECUTED ON BEHALF OF BIDDER.**

- a. A bid executed by an attorney or agent on behalf of the bidder shall be accompanied by an authenticated copy of their Power of Attorney or other evidence of their authority to act on behalf of the bidder.
- b. If the bidder is a corporation, the Certificate of Corporate Bidder must be executed. The Certificate must be executed under the corporate seal by some duly authorized officer of the corporation other than the officer signing the bid. In lieu of the Certificate of Corporate Bidder, there may be attached to the bid copies of so much of the records of the corporation as will show the official character and authority of the officer signing duly certified by the secretary or assistant secretary, under the corporate seal, to be true copies.
- c. If the bidder is a partnership, and all partners sign the bid with a notation that they are all general partners, the Government will not ordinarily require any further proof of the existence of the partnership. If all partners do not sign the bid, then the names of all those except limited partners must be furnished on the bid and the Government, in its discretion, may require evidence of the authority of the signer(s) to execute the bid on behalf of the partnership.
- d. If the bidder is a Limited Liability Corporation (LLC), a Certificate of the LLC must be completed and executed by the manager.

**15. WAIVER OF INFORMALITIES OR IRREGULARITIES.** The Government may, at its election, waive any minor informality or irregularity in bids received.

**16. BACK-UP BIDDER.** The second-highest bidder will be the backup bidder. If the high bidder is unable to consummate the transaction, the second highest bidder may then be considered for award.

The backup bidder's deposit will be retained, without interest, until the first high bidder has increased their initial bid deposit to the required 10% of the purchase price. Subsequently, the bid deposit of the second high bidder will be returned by mail. In the event that the Government is unable to make an award to the highest or second-highest bidder, the Government reserves the right to negotiate with the remaining bidders and make an award that is in the best interest of the Government.

**17. ACCEPTABLE BID.** An acceptable bid is one received from a responsible bidder, whose bid, conforming to this Invitation for Bids, will be most advantageous to the Government, price and other factors considered.

**18. NOTICE OF ACCEPTANCE OR REJECTION.** Notice by the Government of acceptance or rejection of the bid shall be deemed to have been sufficiently given when faxed or mailed to the bidder or his duly authorized representative at the fax/phone number or address indicated in the bid. The processing of a bid deposit by the Government shall not, in itself, constitute acceptance of the bidder's offer. The Government reserves the right to reject any and all bids or portions thereof.

**19. ADDITIONAL INFORMATION.** The U.S. General Services Administration issuing office at the address given in this Invitation for Bids will, upon request, provide additional copies of this Invitation for Bids and answer requests for additional available information concerning the property offered to facilitate preparation of bids. Each bid shall be deemed to have been made with full knowledge of all terms, conditions, and requirements contained in this Invitation for Bids.

# General Terms of Sale

---

**1. TERM - "INVITATION FOR BIDS."** The term "Invitation for Bids" as used herein refers to the foregoing Invitation for Bids and its Property Information; the Instructions to Bidders; the General Terms of Sale; the Special Terms and Conditions of Sale; and the Environmental and Historic Notices, if any, and any provisions of the Bid Forms; all of which are attached to this Invitation for Bids and incorporated and made a part hereof, and as may be modified and supplemented by any addenda or amendments that may be issued prior to the time fixed in the Invitation for Bids for the opening of bids or conducting of an auction.

**2. DESCRIPTION PROVIDED.** The descriptions of the property set forth in the Invitation for Bids and any other information provided therein with respect to the property are based on information available to the U.S. General Services Administration's Property Disposal Division and are believed to be correct, but any error or omission, including but not limited to the omission of any information available to the agency having custody over the property and/or any other Federal agency, shall NOT constitute grounds or reason for nonperformance of the contract of sale, or claim by Purchaser for allowance, refund, or deduction from the purchase price.

**3. INSPECTION.** Bidders are invited, urged, and cautioned to inspect the property to be sold prior to submitting a bid. The failure of any bidder to inspect or to be fully informed as to the condition of all or any portion of the property offered, will not constitute grounds for any claim or demand for adjustment or withdrawal of a bid after the bid opening or auction.

**4. CONDITION OF PROPERTY.** The property is offered for sale and will be sold "AS IS" and "WHERE IS" without representation, warranty, or guarantee as to quantity, quality, title, character,

condition, size, or kind, or that the same is in condition or fit to be used for the purpose for which intended, and no claim(s) for any allowance or deduction upon such grounds will be considered after the bid opening or conclusion of the auction.

**5. ZONING.** Verification of the present zoning and determination of permitted uses thereunder, along with compliance of the property for present or proposed future use, shall be the responsibility of the bidder and the Government makes no representation in regard thereto. The Government does not guarantee that any zoning information is necessarily accurate or will remain unchanged. Any inaccuracies or changes in the zoning information shall NOT be cause for adjustment or rescission of any contract resulting from this Invitation for Bids or sales agreement. Please note that any reference to zoning is included for informational purposes only and is not to be relied upon by the bidder.

**6. CONTINUING OFFERS.** Each bid received shall be deemed to be a continuing offer after the date of bid opening or conclusion of an auction for sixty (60) calendar days, unless the bid is accepted or rejected by the Government before the expiration of the sixty (60) calendar days. If the Government desires to accept any bid after the expiration of the sixty (60) calendar days, the consent of the bidder shall be obtained prior to such expiration.

## **7. POSSESSION.**

- a. The successful bidder agrees to assume possession of the property within fifteen (15) calendar days of a written request given by the Government after acceptance of its bid. Should the successful bidder fail to take actual possession of the property within such period, the bidder shall nonetheless be charged with constructive possession commencing at 12:01 a.m., local time, at the location of the property,

on the sixteenth (16<sup>th</sup>) calendar day after such request by the Government. The word “possession” shall mean either actual physical possession or constructive possession.

b. Although by assuming possession under (a), above, the bidder incurs certain responsibilities and obligations under other conditions of this contract, such possession does not confer any right in the bidder either to make any alterations or improvements in or to the property or to use it for any purpose of its own without first obtaining the written approval of the Contracting Officer. Any such approval will be conditioned on the bidder paying to the Government for the privileges granted, for the period from the date of the approval to the date of conveyance, an amount equal to the interest for such interval of time on the unpaid balance of the purchase price. The interest rate shall be computed based on the yield of 10-year United States Treasury maturities as reported by the Federal Reserve Board in “Federal Reserve Statistical Release H.15” plus one and one-half percent (1½%) rounded to the nearest one-eighth percent (1/8%) as of the date of bid acceptance.

**8. INSURANCE.** In the event a bid to purchase is accepted and possession of the property is assumed by the successful bidder prior to the date of conveyance, the successful bidder shall procure and maintain insurance at its own expense, effective for the period from the date of assumption of possession to the date of conveyance, for the benefit of the Government, in such kinds and amounts as may be required by the Government, and in companies acceptable to the Government.

a. Fire, extended coverage, vandalism and malicious mischief, personal injury and liability, and such other property insurance as required to protect the Government’s interest shall be maintained on the real and personal property covered by the bid, and shall be in such amounts which, after taking into account the coinsurance

provision, if any, of the insurance policies, will protect the unpaid indebtedness.

b. Information concerning insurance requirements will be furnished by the U.S. General Services Administration, Real Property Utilization and Disposal Division, 230 South Dearborn Street, Room 3774, Chicago, Illinois 60604, or telephone (312) 353-6045.

**9. TAXES AND CLOSING COSTS.** As of the date of assumption of possession of the property, or the date of conveyance, whichever occurs first, the successful bidder shall assume responsibility for all general and special real and personal property taxes which may have been or may be assessed on the property and to prorate sums paid, or due to be paid, by the Government in lieu of taxes. All closing costs, including escrow and financing fees, shall be borne solely by the successful bidder. The Government has no knowledge of any tax amounts owed for this property.

**10. RISK OF LOSS.** As of the date of assumption of possession of the property, or the date of conveyance, whichever occurs first, the successful bidder shall assume responsibility for care and handling and all risks of loss or damage to the property and shall have all obligations and liabilities of ownership.

**11. REVOCATION OF BID AND DEFAULT.** In the event of revocation of a bid after the opening of bids or conducting of the auction but prior to acceptance, or in the event of revocation of a bid after notice of acceptance, or in the event of any default by the successful bidder in the performance of the contract of sale created by such acceptance, or in the event of failure by the successful bidder to consummate the transaction, the deposit, together with any payments subsequently made on account, may be forfeited at the option of the Government, in which event the bidder shall be relieved from further liability, or without forfeiting the said deposit and payments, the Government may avail itself of any legal or equitable rights which it may have under the bid or contract of sale.

**12. GOVERNMENT LIABILITY.** If the Bid for Purchase of Government Property is accepted by the Government (Seller) and: (1) Seller fails for any reason to perform its obligations as set forth herein; or (2) Title does not transfer or vest in the successful bidder (Purchaser) for any reason, although Purchaser is ready, willing, and able to close, Seller shall promptly refund to Purchaser all amounts of money Purchaser has paid, without interest, whereupon Seller shall have no further liability to Purchaser.

**13. TITLE EVIDENCE.** Any title evidence that may be desired by the successful bidder will be procured by the bidder at its sole cost and expense. The Government will, however, cooperate with the successful bidder or its authorized agent in this connection, and will permit examination and inspection of such deeds, abstracts, affidavits of title, judgments in condemnation proceedings, or other documents relating to the title of the premises and property involved, as it may have available. It is understood that the Government will not be obligated to pay for any expense incurred in connection with title matters or survey of the property.

**14. TITLE.** If a bid for the purchase of the property is accepted, the Government's interest will be conveyed by a Quitclaim Deed or Deed Without Warranties and/or, where appropriate, a Bill of Sale in conformity with local law and practice. The Government does not pay for title insurance but the Purchaser may wish to acquire a title insurance policy from a local title company.

**15. TENDER OF PAYMENT AND DELIVERY OF INSTRUMENT OF CONVEYANCE.** The Government shall set a sale closing date, said date to be not later than sixty (60) calendar days after acceptance of the bid. On the closing date, the successful bidder shall tender to the Government, by cashier's check or certified check, the balance of the purchase price. Upon such tender being made by the successful bidder, the Government shall deliver to the successful bidder the instrument, or instruments, of conveyance. The Government reserves the right to extend the closing date for a

reasonable amount of time for purposes of preparing necessary conveyance documents. In any event, if possession was assumed by the successful bidder prior to the date of conveyance, the successful bidder shall pay, in addition to the purchase money due, an amount determined in accordance with paragraph 7, above, if applicable.

**16. DELAYED CLOSING.** The successful bidder shall pay interest on the outstanding balance of the purchase price if the closing of the sale is delayed, and the delay is caused, directly or indirectly, by the successful bidder's action and not by any action on the part of the Government. The interest rate shall be computed based on the yield of 10-year United States Treasury maturities as reported by the Federal Reserve Board in "Federal Reserve Statistical Release H.15" plus one and one-half (1½%) rounded to the nearest one-eighth percent (1/8%) as of the date of bid acceptance. The Government reserves the right to refuse a request for extension of closing.

**17. DOCUMENTARY STAMPS AND COST OF RECORDING.** The successful bidder shall pay all taxes and fees imposed on this transaction and shall obtain at bidder's own expense and affix to all instruments of conveyance and security documents such revenue and documentary stamps as may be required by Federal and local law. All instruments of conveyance and security documents shall be placed on record in the manner prescribed by local recording statutes at the successful bidder's expense. A CONFORMED COPY OF THE RECORDED Quitclaim Deed must be provided to the U.S. General Services Administration, Real Property Utilization and Disposal Division, 230 South Dearborn Street, Room 3774, Chicago, Illinois 60604.

**18. CONTRACT.** The Invitation for Bids, and the bid when accepted by the Government, shall constitute an agreement for sale between the successful bidder and the Government. Such agreement shall constitute the whole contract to be succeeded only by the formal instruments of transfer, unless modified in writing and signed by both parties. No oral statements or representations

made by, or for, or on behalf of either party shall be a part of such contract. Nor shall the contract, or any interest therein, be transferred or assigned by the successful bidder without consent of the Government, and any assignment transaction without such consent shall be void.

**19. OFFICIALS NOT TO BENEFIT.** No member of, or delegate to the Congress, or resident commissioner, shall be admitted to any share or part of the contract of sale or to any benefit that may arise therefrom, but this provision shall not be construed to extend to the contract of sale if made with a corporation for its general benefit. U.S. General Services Administration employees are prohibited from bidding on the property offered in the Invitation for Bids.

**20. COVENANT AGAINST CONTINGENT FEES.** The successful bidder warrants that he or she has not employed or retained any person or agency to solicit or secure this contract upon any agreement or understanding for commission, percentage, brokerage, or contingent fee. Breach of this warranty shall give the Government the right to annul the contract without liability or in its discretion to recover from the successful bidder the amount of such commission, percentage, brokerage, or contingent fee in addition to the consideration herewith set forth. This warranty shall not apply to commissions payable by the successful bidder upon the contract secured or made through bona fide established commercial agencies maintained by the successful bidder for the purpose of doing business. "Bona fide established commercial agencies" has been construed to include licensed real estate brokers engaged in the business generally.

# Special Terms and Conditions

---

**1. METHOD OF SALE.** This lighthouse will be sold by online auction. The bid that offers the greatest return to the Government may be accepted.

**2. NOTICE OF THE PRESENCE OF ASBESTOS—WARNING!** The Quitclaim Deed by which the lighthouse will be conveyed will include language similar to the following:

a. The Purchaser is warned that the property offered for sale may contain asbestos-containing materials. Unprotected or unregulated exposures to asbestos in product manufacturing, shipyard, and building construction workplaces have been associated with asbestos-related diseases. Both the U.S. Occupational Safety and Health Administration (the “OSHA”) and the Environmental Protection Agency (the “EPA”) regulate asbestos because of the potential hazards associated with exposure to airborne asbestos fibers. Both OSHA and EPA have determined that such exposure increases the risk of asbestos-related diseases, which include certain cancers and which can result in disability or death.

b. Bidders are invited, urged, and cautioned to inspect the property to be sold prior to submitting a bid. More particularly, bidders are invited, urged and cautioned to inspect the property as to its asbestos content and condition and any hazardous or environmental conditions relating thereto. The disposal agency will assist bidders in obtaining any authorization(s) that may be required in order to carry out any such inspection(s). Bidders shall be deemed to have relied solely on their own judgment in assessing the overall condition of all or any portion of the property including, without limitation, any asbestos hazards or concerns.

c. No warranties, either express or implied, are given with regard to the condition of the property including, without limitation, whether the property does or does not contain asbestos or is or is not safe for a particular purpose. The failure of any bidder to inspect, or to be fully informed as to the condition of all or any portion of the property offered, will not constitute grounds for any claim or demand for adjustment or withdrawal of a bid after its opening.

d. The description of the property set forth in the Invitation for Bids and any other information provided therein with respect to said property is based on the best information available to the disposal agency and is believed to be correct, but any error or omission, including, but not limited to, the omission of any information available to the agency having custody over the property and/or any other Federal agency, shall not constitute grounds or reason for nonperformance of the contract of sale, or any claim by the Purchaser against the Government including, without limitation, any claim for allowance, refund, or deduction from the purchase price.

e. The Government assumes no liability for damages for personal injury, illness, disability, or death, to the Purchaser, or to the Purchaser’s successors, assigns, employees, invitees, or any other person subject to Purchaser’s control or direction, or to any other person, including members of the general public, arising from or incident to the purchase, transportation, removal, handling, use, disposition, or other activity causing or leading to contact of any kind whatsoever with asbestos on the property that is the subject of this sale, whether the Purchaser, its successors or assigns has or have properly warned or failed properly to warn the individual(s) injured.

f. The Purchaser further agrees that, in its use and occupancy of the property, it will comply with all Federal, state, and local laws relating to asbestos.

**3. NOTICE OF LEAD BASED PAINT FOR NON-RESIDENTIAL REAL PROPERTY CONSTRUCTED PRIOR TO 1978.** The Quitclaim Deed by which the lighthouse will be conveyed will include the following language:

Every purchaser of any interest in real property on which a building was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession and notify the buyer of any known lead-based paint hazards. A risk assessment or inspections for possible lead-based paint hazards is recommended prior to converting the property to a residential dwelling.

**4. NAVIGABLE AIRSPACE.** The Quitclaim Deed by which the lighthouse will be conveyed will include the following language:

Based upon coordination between the General Services Administration and the Federal Aviation Administration (the "FAA") as recommended in House Report Number 95-1053 entitled "FAA Determination of 'No Hazard' for Structures Near Airports," it has been determined that a public airport is located within six nautical miles of the property. To the extent required by law, the Grantee, its successors and assigns must comply with Title 14, Code of Federal Regulations, Part 77, "Objects Affecting Navigable Airspace," of the Federal Aviation Act of 1958, as amended. This restriction shall run with the Property.

**5. HISTORIC PRESERVATION COVENANT.** The Quitclaim Deed by which the lighthouse shall be conveyed will include the following language:

The Fairport Harbor West Breakwater Light is listed in the National Register of Historic Places. The Grantee, in accepting this Deed, acknowledges and accepts the following conditions and covenants:

(1) Grantee shall maintain and preserve the Property in accordance with the recommended approaches in *The Secretary of the Interior's Standards for Treatment of Historic Properties, Standards for Preservation* (Technical Preservation Services for Historic Buildings, National Park Service) in order to preserve and enhance the distinctive materials, features and spaces that caused the Property to be listed on the National Register of Historic Places.

(2) Distinctive materials, features, finishes, construction techniques and examples of craftsmanship that characterize the Property shall be preserved.

(3) No alterations or physical or structural changes shall be made to the architecturally and/or historically significant features of the Property, including the coloring or surfacing of the Property, without prior consultation with and express written approval signed by a fully authorized representative of the Ohio State Historic Preservation Office (the "SHPO"). Ordinary and necessary repairs and maintenance not materially affecting such features shall not be considered alterations. Approval for interior alterations shall be required only for changes to be made to features that contribute to the significance of the Property. This covenant shall be construed to preserve and protect the qualities which caused the Property to be listed on the National Register of Historic Places.

(4) The Grantee will properly maintain the Property and protect it against deterioration. The Grantee will not permit the Property to fall into a serious state of disrepair or to remain in a

serious state of disrepair so as to materially impair the integrity of the Property.

(5) The SHPO shall be permitted at all times to inspect the Property in order to ascertain if the above conditions are being observed.

(6) In the event that the Property, or any associated historic artifact associated with the Property ceases to be maintained in compliance with the covenants, conditions and restrictions set forth in this section, in addition to any remedy now or hereafter provided by law, the SHPO may, following reasonable notice to Grantee, institute suit to enjoin said violation or to require restoration of the Property.

(7) The covenants, conditions and restrictions contained herein shall be inserted by the Grantee verbatim or by express reference in any deed or other legal instrument by which it divests itself of either the fee simple title or any other lesser estate in the Property.

(8) The Grantee agrees that the SHPO may, at its discretion, without prior notice to the Grantee, convey and assign all or part of its rights and responsibilities contained herein to a third party.

(9) The failure of the SHPO to exercise any right or remedy granted under this instrument shall not have the effect of waiving or limiting the exercise of any other right or remedy or the use of such right or remedy at any other time.

(10) The covenants, conditions and restrictions set forth in this Historic Preservation Covenant shall constitute a binding servitude upon the Property and shall be deemed to run with the Property.

**6. AIDS TO NAVIGATION.** The Quitclaim Deed by which the lighthouse shall be conveyed will include the following language:

The United States Coast Guard is the Federal agency responsible for operating and maintaining

any “Federal aid to navigation” as that term is defined by paragraph (e)(4) of section 308 of the National Historic Lighthouse Preservation Act of 2000 (the “NHLPA”). The Federal aids to navigation located at the Property in operation as of this date shall remain the personal property of the United States and shall continue to be operated and maintained by the United States for as long as needed for navigational purposes.

The Grantee acknowledges and agrees that it is accepting title to the Property subject to the right of the United States Coast Guard, or its successor entity (the “USCG”) to continue the ownership, operation and maintenance of all active aids to navigation. In furtherance of its right to continue such function, the United States hereby expressly reserves perpetual and assignable the following rights:

- a. The unrestricted right of the USCG to keep, locate, service, maintain, operate, repair, and replace aids to navigation and any and all associated equipment, on the Property.
- b. The unrestricted right of the USCG to relocate or add any aids to navigation and any and all associated equipment, or make changes on any portion of the Property as may be necessary for navigational purposes.
- c. A right of access in favor of the USCG for the purpose of servicing, maintaining, locating, operating, repairing and replacing navigational aids and any and all associated equipment on the Property. The USCG shall have the right to enter the Property at any time, with reasonable notice, for the purpose of maintaining the navigational aids and performing the other functions contemplated herein. Access shall be across any portion of the Property as necessary. Upon completion of the servicing, maintaining, operating, repairing and replacing of navigational aids and any associated equipment, the Property shall, at the sole cost of the USCG, subject to the availability of appropriated funds, be left as nearly as reasonably possible in the same condition as before any such work began.

d. A reservation to the USCG for the purpose of preserving an Arc of Visibility from the Property to the shoreline within the radial arc of 360 degrees true and the stipulation that nothing will be constructed, maintained or permitted of a height sufficient to interfere with or obstruct the Arc of Visibility of the Property.

e. The Grantee shall not interfere with or allow interference in any manner with any navigational aids in use on the Property without express written permission from the USCG.

## **7. NOAA DATA COLLECTION DEVICES.**

The Quitclaim Deed by which the lighthouse shall be conveyed will include the following language:

A. The National Oceanographic Atmospheric Administration (the "NOAA") is a Federal agency that maintains a primary and backup remote terminal unit data collection platform, and a wind speed/direction sensor (the "NOAA data collection devices") at the Property. B. The Grantee acknowledges and agrees that it is accepting the Property subject to the right of the NOAA, or its successor entity to continue the ownership, operation and maintenance of the NOAA data collection devices. In furtherance of its right to continue such function, the United States hereby expressly reserves perpetual and assignable the following rights and easements:

1. The unrestricted right of the NOAA to keep, locate, service, maintain, operate, repair, and replace data collection devices on the Property.
2. The unrestricted right of the NOAA to relocate or add any data collection devices

and all associated equipment as may be necessary for data collection purposes.

3. A right of access in favor of the NOAA for the purpose of servicing, maintaining, locating, operating, repairing and replacing the NOAA data collection devices and any and all associated equipment on the Property. The NOAA shall have the right to enter the Property at any time, with reasonable notice, for the purpose of maintaining the NOAA data collection devices and performing the other functions contemplated herein. Access shall be across any portion of the Property as necessary. Upon completion of the servicing, maintaining, operating, repairing and replacing of the NOAA data collection devices and any associated equipment, the Property shall, at the sole cost of the NOAA, subject to the availability of appropriated funds, be left as nearly as reasonably possible in the same condition as before any such work began.

4. The Grantee shall not interfere with or allow interference in any manner with any data collection devices in use on or in the Property without express written permission from the NOAA.
